Site Plan is not to scale. All dimensions are approximate only. Sole purpose of plan is to show approximate location of a lot/block within a subdivision. The numbering, size, dimension, area, shape and location of the lots/blocks may vary from what is shown on the plan. The Vendor tries to ensure the accuracy of the information at the time the plan is prepared, however, modifications to the plan may have occurred since its preparation. Distances shown are in meters and can be converted to feet by dividing 0.3048. Future use of surrounding lands (whether owned by the Vendor or not) may change as determined by the Vendor, governmental authorities or third parties, without any prior notice. Purchasers should make their own enquiries as to such future use that are relevant to their decision to purchase in this subdivision. The community amenities/features noted are for information purposes only. The Vendor does not control the community amenities/features and they are subject to change at anytime. The Vendor makes no representation that the current community amenities/features will still be available at the time of closing or anytime thereafter. E. & O.E. 03/19/26
